ORDER

As per the Rebuild Kerala Development Programme (RKDP), the strategic vision and road map adopted for the post-flood rebuilding of the State approved as per the G.O. read 2 nd above, transport infrastructure including roads & bridges is a prerequisite for social, economic and industrial development of the State. Considering the same and the numerous proposals received from various Local Self Governments, the RKI placed before the High Level Empowered Committee (HLEC), a proposal for the for the reconstruction of flood damaged LSGD bridges under RKI.

2. As per minutes read as 3 rd paper above, the High Level Empowered Committee (HLEC) of RKI recommended the proposal to take up the reconstruction of flood damaged bridges /hanging bridges of Local Self Governments as a priority item, sourcing requisite fund from RKI. The HLEC also authorized RKI to place the proposal before the Council of Ministers, and subject to approval of the same, directed the Chief Engineer, LSGD to take necessary steps to prepare DPR/ Detailed estimates for the same complying with the principles of resilience.

3. The in-principle approval of the Council of Ministers was accorded for the proposal as per G.O. read as 4 th paper above. Subsequently, the Chief Engineer, LSGD prepared and, as per letter read 5 th above, submitted the DPRs/ Detailed Estimates of 5 bridges for a total estimated cost of Rs. 8.432 crore.

4. The 10th HLEC meeting of RKI held on 06/08/2020 considered the DPRs/Detailed Estimates, approved the same, and directed the RKI to issue Administrative Sanction to the said works. The Committee stipulated that all projects involving building structures, suspending cables etc. (temporary or permanent) across inland water bodies shall strictly adhere to the vertical and horizontal clearance standards for inland navigation. It also directed that the requisite approvals/ clearances should be obtained in all cases.

5. In these circumstances, the Government are pleased to accord Administrative Sanction for the reconstruction of 5 bridges of LSGD for a total estimated cost of **Rs. 8.432 crore** through LSGD engineering wing by sourcing requisite funds from the RKI. The list of bridges along with the estimated cost for each work is enclosed as **Annexure** to this G.O. The expenditure in this regard will be debited to the head of account "5475-00-115-94-Post flood Projects under Rebuild Kerala Initiative (P)".

6. The LSGD engineering wing shall take necessary action for the implementation of the project by strictly adhering to the directions of the HLEC cited in para 3 above. Principles of resilience shall be incorporated in all phases of the reconstruction including design, execution and maintenance, by taking into account the unique local conditions and requirements. Further the LSGD shall also formulate an effective monitoring mechanism for the timely completion of the project. All mandatory clearances from relevant departments shall be obtained wherever applicable. All procurements as part of implementation of the work shall be done in a fair and transparent manner in accordance with the extant rules.
