Sir,

Sub: Online advanced Training on Faecal Sludge & Septage Management for the ULB functionaries of Kerala- Reg.

Ref: 1. Agreement executed based on the proposal received from Water Sanitation and Hygiene Institute.

2. Letter No. CBE/SMMU/AMRUT/11/2015 dated 29.03.2021 sent to CE, LSGD

3. Letter No. DB5/12414/2015/CE dated 20.07.2021 received from Chief Engineer, LSGD

Attention is invited to the subject and references. As you know that, State Mission Management Unit of AMRUT had organised an orientation training on Faecal Sludge and Septage Management(FSSM) from 02.08.2021 to 12.08.2021 with the support of Water Sanitation and Hygiene Institute(WASH Institute)-USAID and BMGF in collaboration with Ministry of Housing and Urban Affairs(MoHUA), Government of India to equip Urban Local Bodies in the field of Faecal Sludge and Septage Management.

The training is scheduled into 2 parts, an orientation on FSSM and an advanced training on FSSM. Orientation training for 2 batches has been already completed. The decision is that the officials who have more than 75% attendance in the orientation training are eligible to participate in the advanced training. The advance training on FSSM is scheduled from 18.10.2021 to 25.10.2021. The Institute has proposed both online and class

room trainings, but due to the current Covid 19 situation, the training is limited to online mode only.

Hence I request you to give direction to the concerned nominees for attending the online advanced training programme on FSSM. The programme schedule and the list of nominees for the advanced training are attached here with. The link for the training will be shared soon.

Yours faithfully,

Mission Director
